

## Flower/Decorative Pots Verbiage Change ...approved during the 8/18/2016 Board Meeting

### FLOWER/DECORATIVE POTS

1. Flower pots or decorative pots may be placed in the front yards, but cannot exceed more than ten (10) in number. Pots must be of Decorative type (not the utility type used by nursery's). Flower pots must be continually planted with live plants. Artificial plant and/or flowers are prohibited. Decorative Pots that are not meant to hold flowers are allowed. All Pots must be maintained in like new condition at all times. Pots that begin peeling, fading or chipping must be removed and/or replaced immediately.
2. Flower/Decorative Pots do not need prior approval by the Committee.
3. Flower boxes attached to the home are prohibited and will not be approved by the COMMITTEE.
