It will be first come first served, so please RSVP to help us know how much food to buy.

RV's, Boats & Trailers

Per the CC&R's, RV'S, BOATS & TRAILERS are only allowed to be parked in the community for 4 hours at a time for loading & unloading. If you need to have one of these vehicles parked for a longer period of time, please give Korin (Preferred Communities) a heads-up so you won't receive a violation fine. It's as simple as that! Send a quick email with the dates the vehicle will be parked in the community.

Graffiti

Our community has recently been tagged with graffiti. What should you do if you notice any graffiti? Report the date & location to the non-emergency Police line 480-503-6500 AND to Preferred Communities 480-649-2017.

A representative from the Police Department will come and file a report and mark the graffiti with a dot, alerting the Town of Gilbert that the graffiti can be painted

Landscape Meeting

On August 17, 2011, 7:00 PM at the South East Regional Library, the board will be discussing changes to the common area landscape.

The board met on May 12 and started the plans to revitalize the common landscaping. The revitalization will happen in stages. Stage 1 will along Quinn, Orion and Parkcrest. Colorful foliage will be brought into these areas to enhance the beauty of the community. Planting will begin as soon as the weather breaks enough to plant successfully.

All homeowners are encouraged to attend to voice your ideas & suggestions, or just to hear what the board plans for the next phase— which will include replacing several trees that were lost during the micro-burst.
